

One of the Most Beautiful Islands on Earth - Tenerife

Overview

fsdfg

Tenerife is the largest and most populated island of the eight [Canary Islands](#). It is also the most populated island of Spain, with a land area of 2,034.38 square kilometers(785 sq mi) and 904,713 inhabitants, 43 % of the total population of the Canary Islands. The archipelago’s beaches, climate and important natural attractions, make it a major tourist destination with over 12 million visitors per year.

Trip Highlights in Tenerife

- **Trip to Loro Parque**
Out top tip is to visit the famous Loro Parque or 'Loro Park. It is a 13.5-hectare zoo on the outskirts of Puerto de la Cruz on Tenerife, Spain where it houses an extensive and diverse reserve of animal and plant species.
- **Whale and Dolphin Watching Tour**
Another great option is to take boat excursion with almost guaranteed sightings of whales and dolphins. This is a day-long trip that includes lunch, island visits, fishing, and amazing views of ocean sceneries.
- **Teide National Park Stargazing**
Last, but not least you can take a stargaze trip to Teide National Park, the 3rd best place in the world to view stars and described by NASA as a window to the universe.
